INVESTMENT SUMMARY

GROSS INCOME	NET CASH / YR (AFTER RESERVES)	INVESTOR ROI @ ASKING
$10,292/mo	**$67,529**	**71%**

Income & Occupancy

RENT SOURCE	UNITS	RATE / UNIT	MONTHLY
Section 8 (BMHA 14201 payment standard)	4	$1,099 – $1,297	$4,792
Market renters	5	$1,000 – $1,250	$5,500
Gross Potential Rent	**9**	**—**	**$10,292**
Vacancy & collection loss (4% blended — Section 8 pays on time)			($410)
Effective Gross Income		**—**	**$9,880**

Operating Expenses (annualized)

EXPENSE	ANNUAL
Property taxes (Erie County)	$6,000
Insurance	$7,200
Water / sewer (tenant electric)	$4,050
Maintenance & repairs	$8,100
Turnover, legal, marketing	$2,700
Property management (8% of EGI)	$9,485
Capital reserve (roof / HVAC / appliances / paint, annualized)	$13,500

Total Operating Expenses (incl. reserves)	**$51,035**

Net Operating Income & Cap Rate

METRIC	VALUE
NOI (before reserves)	$81,029 / yr
Net cash after reserves (producible)	**$67,529 / yr ($5,627 / mo)**
Offering Price	**$565,000**
Cap Rate (after reserves = cash / price)	**12.0%**
Strict NOI cap (pre-reserve, for reference)	14.3%
Price per unit (9 units)	$62,778
Gross Rent Multiplier (price / gross)	4.6x

Working West Side small-multifamily trades near an **8% cap** (comparable: 698 Columbus Pkwy, 5-unit, listed 8.5%). Buying here at a **14.3% cap** puts the price at roughly **59% of market value** — the same NOI supports ~$953,000 at an 8.5% market cap. Built-in equity and robust cash flow without forcing rent.

Investor ROI — the floor is 20%, the standard is 40%

PATH	CASH IN	ROI (CASH-ON-CASH)
Conventional bank deal — 20% down @ 8%, 30yr	$113,000	24.5%
Creative — 8% down, seller-financed @ 5.5%, 30yr	**$45,200**	**71%**

Creative structure uses **60% less cash** ($67,800 saved) and nearly **triples the return** — this deal clears the 40% standard, not just the 20% floor.

Entry terms: cash, subject-to, or seller financing — structured to keep your capital working. Current pricing and full rent roll available on request.

This is an offering summary for evaluation only, not an offer or a guarantee of results. Figures are projections: income from current market rents (4 Section 8 at BMHA 14201 payment standard + 5 market), expenses modeled including an annual capital reserve of $1,500/unit for a 1910-era building. ROI shown net of reserves; actuals depend on final inspection, tax review, and lease conditions.
